SELF ASSESSMENT

1. Please make a candid self-assessment of what you consider to be your strengths and areas of improvement:

One of the strengths that I consider is being able to learn quickly. I crave for new learnings and ensure that that these learnings that I got would contribute to my growth as a professional. I am also adaptable to changes and can work under pressure.

An area that I think I should improve is teamwork. As an introvert, I tend to do the work alone and finish it alone which is clearly not ideal when working on a group.

2. Briefly describe what you believe to be your three most substantial accomplishments and explain why you view them as such.

Being able to get my degree in Industrial engineering is one of the greatest accomplishment that I consider because it serves as the testament to all the hardworks during college.

Being the valedictorian of our batch during high school is also considered because it paved way for a lot scholarship offers for me upon entering college.

Passing the CSE-PPT is also one of my greatest achievement as it became the fruit of my dedication.

3. Please explain why you would like to work in Roberts AIPMC and states your expectations.

As a neophyte trying to enter the industry, I think Roberts AIPMC would give a lot of opportunity to utilize and expand my learnings, knowledge, and skills that would contribute to my growth as a professional.

4. What are your future plans (family, career, etc.)

Someday, I am seeing myself as a successful industrial engineer, with quality family life (2kids). I also have travel goals in different countries.

5. MEDICAL HISTORY

a. Have you ever been in the hospital as a patient?

☒ Yes ☐ No

If YES, what kind of problem were you having?

Anemia

b. Have you ever had any kind of operation?

☐ Yes ☒ No

If YES, what kind?

c. Do you take any kind of medicine regularly?

☐ Yes ☒ No

If YES, what kind?

d. Are you allergic to any drugs, foods, or chemicals?

☒ Yes ☐ No

If YES, what kind of allergy do you have?

Seafoods

b) What triggers your allergy?

Eating a lot of seafoods

e. Have you been told that you had high blood pressure?

☐ Yes ☒ No
